

Attention: We need everyone to read this and sign at the bottom

We want to make sure that you understand our concerns

1. We need to do a better job enforcing the speed limit in the pits. 5 M.P.H.
2. NO PIT RIDING! Disqualification could occur for riding in the pits and for having more than one rider on your bike. We ask you to only unload the bikes that will be raced. If you need to unload other vehicles, please park them by your camp, and not on pit row. Once the Pee Wee and Mini races are over, the bikes must be parked until all races are completed. Any rider/family members/pit crew members that can not follow these rules will result in you/your racer being disqualified.  
**(This mean no riding your bike, ATV, or SXS to the finish line to wait for your rider!!)**
